

## SPECIAL HANDLING

63-063

27 June 1963

Dear Bill,

Here is the revised copy of the notice to proceed which obligates the full amount of the total contract price. As I mentioned to you earlier, FY63 funds were used to finance this contract and this requires the obligation of the full amount before June 30.

It will not be necessary to have the signed document returned to me prior to 30 June, since I have a procedure for getting this record back to Headquarters.

I believe you said you might be able to sign the document yourself and this will be fine. If it is necessary however for [ ] to sign the document, there will be no problem as long as you alert him to the necessity of confining any discussion on the contract to yourself, [ ]. Pending clearance for [ ] and subsequent briefing, I recommend that any discussions with [ ] be limited to areas in which he has an absolute need to know.

I will do my very best to work towards definitization of the contract in July.
